The Greenfield Veterans Honor Guard provides various funds and services to local Veterans and their families in need. As a community, we can help continue these services by making a contribution. Learn about the various services they provide and how your donation can make an impact below:

TRANSPORTATION FUND – Provides transportation for disabled Veterans to the Indianapolis Vet Center FREE of charge. The van is run by volunteers and transports Veterans weekly. In an effort to better serve Veterans, the fund is in need of money for a new van and volunteer drivers.

VET FUND – The Vet Fund provides support to Veterans and their families in need of money for housing, utilities, medical services and other essential family support expenses which have become difficult to afford.

FLAG FUND – The Flag Fund provides money for the Honor Guard to replace any torn or ripped flags FREE of charge for businesses and residents in the community.

AVENUE FLAG FUND – The Avenue Flag Fund is used for the flags and equipment the Honor Guard assembles on Memorial Day each year. Each flag represents a Hancock County Veteran resident who has served their country and either died in the line of duty or post service. The flags fly on Memorial Day to ensure that their service, sacrifice and memory are not forgotten.

CAN'T ATTEND? DONATE ANYTIME!
