The Imagination Library is a FREE program that inspires a love for reading by delivering books to babies born on or after January 1, 2016. Books are delivered to the home every month, until the child's fifth birthday. The books are high quality, age appropriate, educational and delivered home in the child's name.

For more information about the Imagination Library, visit giveHCgrowHC.org

The We've Got Your Back Campaign recognizes the Greenfield Area Chamber of Commerce businesses that continue to support the community through charitable donations and service.
