ISTEP+ Test for all third graders

❖ **ISTEP+ and IREAD Helpful Hints for Third Grade Parents**

- Don't schedule any appointments on testing days.
- Make sure your child goes to bed to ensure that he/she will receive at least 8 hours of sleep each night.
- Remove televisions, video games or other distractions from his/her bedroom to ensure they have uninterrupted sleep.
- Make sure your student eats a healthy breakfast before school. We will provide snacks at school during testing.
- Encourage your student to take his/her time on the test. They are given plenty of time to complete the test.
- Be positive about the test! Don't put undue pressure on your student's performance.
- The Harris staff has worked very hard to prepare our third graders. We are confident that they will do well!
