Greenfield Central Girls Varsity Coach

The Greenfield-Central Little Cougar League was established to provide K, 1<sup>st</sup>, 2<sup>nd</sup>, 3<sup>rd</sup>, 4<sup>th</sup>, 5<sup>th</sup> and 6<sup>th</sup> grade girls the opportunity to play in a league designed to develop their skills. The league normally runs from late August through the first week of October. The goal of this league is to build a fundamental feeder system for Greenfield-Central. We will be looking for volunteer coaches for the various teams. To make this program a success, we always rely heavily on volunteers. If you are interested in being a coach, please fill in information at the bottom of registration form, and we will contact you.

Registration forms need to be in by August 24th (Practices will start August 29/30 and games will start the same week... August 31). The only way to insure your child receives a shirt is to register by the deadline. The league cost is **\$50.00** and Please make checks payable to **Greenfield Girls Basketball...810 North Broadway, Greenfield, In. 46140 Attn. Doug Laker.**

Most of the games will be played on Wednesday nights (Except One Tuesday Night on September 27th) at the Greenfield-Central High School Fieldhouse. Game times will run from 6:00-8:00 depending on the number of teams. Each team will practice once a week, at the GC Fieldhouse. The times for practices will run from 6:00-8:00, with each practice being an hour long.

Physicals are recommended, but not required. Please also remember that the officials at the games are high school players. This means they will make mistakes, but are doing their best.

It is my responsibility as Varsity Coach to make sure that our feeder program provides as many opportunities as possible for the girls to develop as players. I am excited that we will be able to offer the girls several different programs to get involved in. My vision for this program is to become one of the best in the state. If we work together and share this vision, I am confident that we will accomplish this goal. I look forward to working with you to help this program move up to the next level.
