

Kid's Coloring Contest in May

Your child could win a FREE bike!

Does your child **LOVE** to color? We are having a coloring contest where they could win their own bike! There is **BOTH** a girl's and boy's bike to give away. You can choose between three different coloring pages that can be found online at hancockregional.org/kidsbikecontest!

The contest lasts the entire month of May, beginning Tuesday, May 1 and ending Thursday, May 31. The contest is open only to participants between the ages of 0-6 years old.

To enter, please submit a photo of the coloring page, along with some contact information to Hank at hank@hancockregional.org! You may also mail or drop off your child's artistic endeavor at the Hancock Health Marketing Department, located in the Lower Level at Hancock Regional Hospital.
